

Remarks

Reconsideration of the application is requested in view of the amendments above and comments which follow.

The Examiner has indicated the allowability of the subject matter of claim 24. Accordingly, claim 15 has been amended to include the subject matter of claim 24, and claim 24 has been cancelled. As all remaining claims depend from claim 15, and claim 15 is now believed to be in condition for allowance, all claims are likewise believed to be in condition for allowance.

The Examiner's further and favorable reconsideration of the application is therefore urged. Should anything remain for consideration, the Examiner is requested to contact the undersigned to facilitate the prompt conclusion of the prosecution and allowance of the application.
